### MOMENT OF ROTARY

By

Sue Hunt

Many of you may have heard of the Paradoxical Ten Commandments. They were written in 1968 by a young man named Kent Keith as a part of a booklet for student leaders. Kent is now Dr. Kent Keith, a national and international speaker on the importance of finding meaning in the crazy world in which we now live. Here is Dr. Kent's 'Anyway Challenge:'

1. I will love people anyway
2. Do good anyway
3. Succeed anyway
4. Be honest and frank anyway
5. Think big anyway
6. Fight for a few underdogs anyway

### Last Week:

The Club had a “switcheroo” in programs last Wednesday. A business meeting was called the week before to clarify a few questions some of the members had in their minds about where the money was being spent from the Club's coffers. It was thought that the large amount of approximately eight thousand dollars was being funded to areas of Rotary International instead of being used within our town of Vermilion. Janet Ford, chairperson of the Club Foundation board assured everyone that this is/was not the case. She said that funding certain projects such as the “solar ovens” was deemed to be important enough to make a two hundred dollar donation to the project because of families throughout the world who don't have any other way of cooking their food. The Club is looking into

## AMERICA

My Country 'tis of thee,  
Sweet Land of Liberty,  
Of Thee I sing.  
Land where my fathers died,  
Land of the pilgrims' pride,  
From every mountain side,  
Let freedom ring.

## VERMILION GRACE

Let us pause in the rush of the  
fray  
And reflect on our duties so high  
We confess and exalt Thee today,  
We beseech Thee thy care,  
God most high.

## SMILE

Smile and the world smiles with you  
Sing a song,  
Don't be weary, just be cheery  
All day long.  
Whenever your trials  
Your troubles and your care  
Seem to be more than you can really  
bear, so  
Smile and the world smiles with you  
Sing a song!

## HELLO

Hello, Hello, Hello  
What a wonderful word hello,  
Hello, Hello, Hello  
You will hear it wherever you go.  
Strangers like your friendship  
When you greet them;  
So smile and say hello  
When you first meet them.  
Hello, Hello, Hello,  
What a wonderful word Hello!

## BIRTHDAYS & ANNIVERSARIES

**purchasing dictionaries for third grade students here in the Vermilion School System. The Vermilion Minnie Bus service donation (payment) will be transferred from the Foundation account to the Club account. In order to further help fund the Vermilion families who have fallen into hardships, because of economic problems in the area, the group talked about having another fund raiser, such as a spaghetti dinner at an earlier date before the usual annual steak fry. The comment was made that there are a lot of hungry families in the Vermilion area. It was also decided that before the foundation annual budget was finalized by the Board, there will be a prior Club business meeting scheduled to receive the input (ideas) of the whole Club membership. The group talked about the subject of the next "youth exchange student" coming to Vermilion. The comment was made that this aspect of the Club services was a very important piece because, not only does the incoming foreign student learn about our culture, but also, both Rotarians, Vermilion Students, and the people of the community who might never travel to these lands learn from these young students. This discussion was brought up because of the Boards decision to put the exchange student program on hold for one year.**

**President Lynn Miggins stated the monthly Board of Directors meeting is scheduled for the 28th of January at 11:00 AM, one hour before the regular Club meeting. All are welcome!**
