LAST WEEK:

The membership and guests had a very informative program last week with the speaker, Susan Schultz telling about her contribution to downtown Sandusky, Ohio. Susan actually sculptured a figure of a male running away, signifying the underground railroad era in this town. Susan, a Rotary member of Sandusky wanted to do something memorable for her hometown. Since this area, including Sandusky, was part of the great “underground” during the Civil War, Susan thought it appropriate to erect a sculpture depicting this era. After selling her idea to many groups in Sandusky, including the Rotary Club, she received \$25,000 to start the project. With the help of many skilled folks in the city, Susan was able to pull the statue together. She needed a model to pose for the project. She thought of a

AMERICA

My Country 'tis of thee,
Sweet Land of Liberty,
Of Thee I sing.
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain side,
Let freedom ring.

VERMILION GRACE

Let us pause in the rush of the
fray
And reflect on our duties so high
We confess and exalt Thee today,
We beseech Thee thy care,
God most high.

SMILE

Smile and the world smiles with you
Sing a song,
Don't be weary, just be cheery
All day long.
Whenever your trials
Your troubles and your care
Seem to be more than you can really
bear, so
Smile and the world smiles with you
Sing a song!

HELLO

Hello, Hello, Hello
What a wonderful word hello,
Hello, Hello, Hello
You will hear it wherever you go.
Strangers like your friendship
When you greet them;
So smile and say hello
When you first meet them.
Hello, Hello, Hello,
What a wonderful word Hello!

equipment and help the speaker to procure it if necessary.

- Topics are to be an informative overview
- If the speaker is from an agency that performs a service, the speaker is *not* to ask the membership for money or assistance, but rather leave it up to the individual member who has a personal interest to go forward after the meeting to get more information.
- Rotary Clubs are comprised of members of all races, religions, and political persuasions, so therefore no one in the audience is to be made to feel uncomfortable by a presentation, i.e.:
 - There is to be no selling of a product
 - There is to be no monetary request
 - There is to be no recruiting
 - There is to be no religious preaching of any one doctrineIndividual politics and political topics must be balanced so that the membership may draw their own educated conclusions

The day of the program

- Meet your speaker at the front door and sign them in as a guest (speakers do not have to pay for their lunch)
- Help the speaker to set up any equipment that they need for their presentation
- The member Rotarian is to introduce the speaker, his credentials, and his topic of his talk in a knowledgeable way.

classmate of hers, Ulysses Thomas to do this job. Sue said that they did a clay sculpture of the body and then took it over to the Carasell Museum in town so the wood carvers could make a replica out of wood. They then wrapped chains around the statue and burned the wood off so the finished piece was strictly the chain except for the right knee, right arm, and head. The finished piece was placed downtown in the middle of Facer Park. The above photo gives a look at some real artwork. We thank Susan for taking the time to come and speak to us.
